

At the Episcopal Church of the Advocate, we believe that as a faith community we are called both to serve the most vulnerable in our community and also to work against oppression and for the dignity and worth of every human being. We strive to engage with the community around us, exploring issues and needs and responding with the talents and gifts God has given us. Based on our philosophy of engagement, we prefer to work hand in hand with the agencies and projects we support.

When you believe that an organization has a financial or other need that might be assisted by our Advocate Tithe, please have this proposal completed and submitted in one of the two ways below. The Advocate Community Engagement group will review your proposal and contact you with our decision. Engagement priorities have been identified by our congregation for this year, but some funds are available to be considered for other projects as well.

- (1) Download from the website at ouradvocate.org and e-mail to cei@ouradvocate.org
